# Calling all Junior Deer Hunters!

*Tuesday, September 11, 2007  
Mountain Preserve Reception Center  
1431 E. Dunlap Rd. Phoenix, Arizona  
Registration at 5:30 pm Program starts  
at 6:00 pm*

Congratulations on drawing a tag for one of the 2007 youth deer hunts in Arizona! In addition to the featured presenters at this year's clinic, we will be conducting special activities for the youth hunters in attendance. Join experts from the Arizona Game & Fish Department for an informative presentation for kids, as well as an open question and answer session with Game & Fish specifically for youths. There will also be a virtual hunting simulator game available for you to test your skills!

In addition to the above planned activities for youths, you can enjoy the other topics that the clinic speakers will cover including:

*Mule Deer Hunting Tactics* —Duwane Adams

*Glassing and Optics*—Chris Denham

*Whitetail Deer Hunting Tactics*—Steve Ward

*Ecology & Biology of Whitetail and Mule Deer in Arizona*— Jim Heffelfinger, author of *Deer of the Southwest*

*Proper Care of Game Meat in the Field*—John Nevins, 4 Peaks Game Processing

*Question and Answer Period*—all panelists

Arizona Game and Fish Department, BLM, and other land management agency personnel will be on hand with maps and information on specific hunt areas.

Cost: Juniors aged 10-17 are free! Adults, \$10 at the door, or free with the purchase of an ADA membership. No need to pre-register!

**DON'T MISS THIS EVENING OF FUN AND INFORMATION! GREAT RAFFLE PRIZES! A TERRIFIC COLLECTION OF TROPHY DEER MOUNTS! BRING YOUR PARENTS AND HAVE A GREAT TIME!**

The ADA will also hold junior camps in several different hunt units this season. All junior hunters are welcome to attend, and there is no charge for the camp. Come to the clinic, or visit our website [www.azdeer.org](http://www.azdeer.org) for more information!
